

NZDA SC Branch Huts

The South Canterbury Branch of the New Zealand Deerstalkers Association has a variety of different huts available for your use. Here's a quick introduction of each hut and their location. For further details, email southcanterbury@deerstalkers.org.nz

Tahr Lodge is in Mount Cook National Park and is our most popular accommodation.

Sleeping up to 14 with 4 bed/bunkrooms. Logfire, gas hot water, stove and oven. Equipped kitchen, solar lighting and fridge. Shower and flush toilet. Backup generator. Drive-up access through the main DOC carpark/campground near Mt Cook Village.

For bookings and information, contact Allan Gillespie- thatfly@xtra.co.nz or 03 688 8303

Steffan Memorial (Onslow) Hut. Located in the Murchison Valley, Mount Cook National Park. Access on foot from Tasman Valley which requires crossing the Tasman Glacier or Lake, or by Helicopter.

The hut has 4 Bunks, solar lighting, and a longdrop toilet. Water from nearby stream. Tahr country.

Lat/Long: -43.609431 170.306903

Eade Memorial Hut. Located true-right in the upper Godley Valley above Lake Tekapo. Access by 4WD or foot up Godley Valley where conditions allow, followed by cautious crossing on foot of glacial river close to Eade.

Solar lighting and long-drop toilet, water from stream. 3 bunks. Logfire.

Tahr, occasional Chamois

Lat/Long: -43.519266 170.482121

Red Stag Hut. Located on the true left of the Godley Valley, above Lake Tekapo. Access by 4WD direct to hut where river-conditions allow, or by foot.

Solar lighting, Long-drop toilet. 4 Bunks. Rainwater tanks behind hut.

Access to Tahr, occasional Chamois.

Lat/Long: -43.540177 170.502403

Veil Bivouac (Biv). In the head-reaches of the Havelock River, upper Rangitata. Advanced 4WD access possible as far as St Winifreds Hut, modest walk upstream to Veil from there.

2 bunks (One is a double).

Solar lighting and USB charger. Long-drop toilet. Rainwater tank. Good Tahr country.
